

# 2024 WELCOME SPONSORSHIP

---

---

The Guild would like to invite you to help welcome and support the 2024 season's company members by making a donation of \$50 for each company member that you would like to sponsor. All company members: actors, designers, scenery and lighting personnel, costumers, and many more who make the Festival a success with their hard work, will be included. The donation will be used to purchase a meal coupon that they can use while in Cedar City. You can donate to one or or as many company members as you wish.

A note will be included with your gift to let each member know of the strong support of the Guild members.

For more information or questions, please contact Shirley Kramer at (702) 860-4335.

I am interested in donating for sponsorship of #\_\_\_\_\_ company members @ \$50 each for a total of \$\_\_\_\_\_.
